## ***Independent Auditors' Report***

To the Board of Directors  
Camp Twin Lakes, Inc.  
Atlanta, Georgia

### ***Report on the Financial Statements***

We have audited the accompanying consolidated financial statements of Camp Twin Lakes, Inc. and Subsidiary (a non-profit organization) (the "Organization"), which comprise of the consolidated statements of financial position as of March 31, 2016 and 2015, and the related consolidated statements of activities, functional expenses and cash flows for the year ended March 31, 2016 and for the six months ended March 31, 2015, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Camp Twin Lakes, Inc. and Subsidiary as of March 31, 2016 and 2015, and the changes in its net assets and its cash flows for the year ended March 31, 2016 and for the six months ended March 31, 2015 in conformity with accounting principles generally accepted in the United States of America.

***Report on Consolidating Information***

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information in the Consolidating Schedules of Financial Position and Consolidating Schedules of Activities is presented for purposes of additional analysis of the consolidated financial statements and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### ***Notes to the Consolidated Financial Statements***

#### **A. NATURE OF OPERATIONS AND ORGANIZATION**

Camp Twin Lakes, Inc. (the "Organization") was formed to provide camping programs for children with serious illnesses, disabilities or other life challenges. With its network of camp partners, the Organization creates customized programs that teach campers to overcome obstacles and grow in their confidence and capabilities. The Organization is a vital statewide network of closely aligned partners that are united in providing year-round camping and other transformative experiences that deeply impact children and support their families throughout childhood. Camp Twin Lakes services more than 9,900 campers each year.

The Organization's first campsite opened in Rutledge, Georgia in 1993. It now operates throughout the year with both weeklong summer programs and weekend programs during the school year.

In 2008, Camp-To-Go was launched to provide programs in children's hospitals around the state. Camp-To-Go takes camp to patients at multiple children's hospitals across the state of Georgia.

In January 2009, Camp Twin Lakes, Inc. began renovating and operating Camp Will-A-Way, a campsite in Fort Yargo State Park in Winder, Georgia. Working in cooperation with the Georgia Department of Natural Resources, the addition of Camp Will-A-Way increased the Organization's capacity to create life-changing camp experiences for children with serious illnesses and other challenges by 50% beginning with the 2010 summer camp sessions.

In September 2010, the Organization formed a subsidiary and contributed \$3,934,804 to the Camp Twin Lakes Foundation, Inc. (the "Foundation"). The purpose of the Foundation is to support the Organization by holding its operating and capital reserves. These reserves have allowed the Organization to expand and deepen the impact to those served. The consolidated financial statements include the accounts of the Organization and the Foundation. All intercompany transactions and balances have been eliminated upon the consolidation.

In 2011, with increased demand for camps for children with serious illness or disabilities, Camp Twin Lakes entered into an agreement with Roosevelt Warm Springs Rehabilitation Institute to use Camp Dream. Camp Twin Lakes began using Camp Dream in 2011 and intends to do so again in 2017.

In collaboration with its network of more than 60 partners, the Organization provides life-changing experiences for its campers and volunteers each year. It provides the accessible campsites programming, specially trained program counselors, medical staff supervision, and subsidizes approximately 70% of the cost to send each child and volunteer to camp. The Organization's partners are responsible for the remaining 30% of the cost, which they raise through their own organization's fundraising efforts. The Organization's subsidy ensures that all campers are able to attend camp regardless of financial ability.

### ***Notes to the Consolidated Financial Statements (Continued)***

In order to meet its annual operating budget, the Organization relies on the generous support of corporations, foundations, individuals, and fundraising events held throughout the year.

Effective the fiscal year beginning April 1, 2015, the Organization changed from a fiscal year end of September 30 to March 31. A six-month fiscal transition period from October 1, 2014 through March 31, 2015, preceded the start of the new fiscal-year cycle.

#### **B. *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

***Method of Accounting.*** The consolidated financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

***Consolidation.*** The consolidated financial statements include the accounts of the Organization and all of its wholly-owned subsidiaries. All intercompany transactions and balances have been eliminated upon consolidation.

***Use of Estimates.*** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period, including the allocation of expenses to program services, management and general, and fundraising. Actual results could differ from those estimates.

***Financial Statement Presentation.*** As required by the Not-for Profit Entities Presentation of Financial Statements topic of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC"), nonprofit organizations are required to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

***Cash and Cash Equivalents.*** The Organization considers cash in operating bank accounts, cash on hand, certificates of deposit, U.S. Treasury Bills and other highly liquid debt instruments purchased with a maturity of three months or less to be cash and cash equivalents.

***Property and Equipment.*** Purchases of property and equipment are recorded at cost on the date of purchase. Contributions of long-lived assets are recorded at the estimated fair market value at the date of receipt and reported as unrestricted support unless the donor has restricted the contributed asset to a specific purpose. Assets contributed with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those contributed assets may be maintained, the Organization reports expirations of donor restrictions when the contributed or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time and are reported in the statement of activities as net assets released from restriction.

## Camp Twin Lakes, Inc.

### Notes to the Consolidated Financial Statements (Continued)

Property and equipment are depreciated using the straight-line basis over their estimated useful lives. Tenant improvements are depreciated over the shorter of their estimated useful lives or the term of the lease period and renewals that are reasonably certain at the date of the tenant improvement purchase. The cost of maintenance and repairs is charged to operations as incurred; major renewals and betterments are capitalized.

**Fair Value of Investments.** Marketable securities with readily determinable fair values and all investment in debt securities are reported at their fair values in the consolidated statements of financial position. The Organization has adopted the Fair Value Measurement topic of the FASB ASC, which provides a framework for measuring the fair value of assets and liabilities. It also provides guidance regarding a fair value hierarchy, which prioritizes information used to measure fair value and the effect of fair value measurements on earnings and provides for enhanced disclosures determined by the level within the hierarchy of information used in the valuation.

The topic establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The Organization's investments are deemed Level 1 investments as the fair value is based on quoted prices in active markets. Total realized and unrealized gains and losses recorded for Level 1 investments have been included in the changes in net assets in the accompanying statements of activities.

**Accounts Receivable.** Accounts receivable consist primarily of credit granted for camp services. The Organization considers all accounts receivable to be fully collectible, thus there is no allowance for doubtful accounts.

**Promises to Give.** Contributions are recognized when an unconditional promise to give is made or when cash is received if an unconditional promise does not exist. Unconditional promises to give, without a stipulated due date and for which the Organization has met all conditions precedent to receipt of the contribution prior to the fiscal year end, are classified as unrestricted net assets. Unconditional promises to give have not been discounted. The unconditional promises to give at March 31, 2016 and 2015 are as follows:

	<u>March 31,</u> <u>2016</u>	<u>March 31,</u> <u>2015</u>
Strategic Investment Initiative Campaign	\$ 216,600	\$ 503,160
Other	<u>257,299</u>	<u>979,789</u>
	473,899	1,482,949
Receivable in less than one year	473,899	1,277,649
Receivable in one to five years	<u>-</u>	<u>205,300</u>
Total unconditional promises to give	<u>\$ 473,899</u>	<u>\$ 1,482,949</u>

**Contributions.** As required by the Not-for Profit Entities Contributions Received topic of the FASB ASC, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions to the endowment fund (See Note C) are required to be reported as permanently restricted support.

## Camp Twin Lakes, Inc.

### Notes to the Consolidated Financial Statements (Continued)

**Contributed Services.** Many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. The value of this contributed time is not reflected in the financial statements since it does not require a specialized skill or enhance a non-financial asset.

**Functional Allocation of Expenses.** The costs of providing various services and activities are summarized on a functional basis in the consolidated statements of activities and are reported in natural categories in the consolidated statements of functional expenses. Program Services expenses comprised approximately 83% of total expenses for the year ended March 31, 2016 as compared to 78% for the six months ended March 31, 2015. Camp Twin Lakes incurs a disproportionate amount of program services expenses during the months of May, June, July and August when week-long summer camps are in session. Accordingly, program services expenses relative to total expenses declined during the six months ended March 31, 2015 due to the absence of the peak summer time activity.

**Income Taxes.** The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the code. The Organization had no unrelated business income for the year ended March 31, 2016 and the six months ended March 31, 2015.

#### C. RESTRICTIONS ON ASSETS

Permanently restricted net assets consist of endowment fund investments to be held indefinitely. The income from these assets is expendable for any purpose the Organization deems appropriate.

The temporarily restricted net assets of the Organization are contributions with donor-imposed stipulations. These stipulations are removed when the Organization expends the contributed funds for the purposes specified.

Changes in temporarily restricted net assets are as follows:

<u>Purpose / Program</u>	<u>Balance</u> <u>3/31/15</u>	<u>Contributions</u>	<u>Released From</u> <u>Restrictions</u>	<u>Balance</u> <u>3/31/16</u>
Medical / Program	\$ 798,301	\$ 129,904	\$ (161,631)	\$ 766,574

	<u>\$ 3,489,109</u>	<u>\$ 500,599</u>	<u>\$ (2,243,894)</u>	<u>\$ 1,745,814</u>

Temporarily restricted net assets at March 31, 2016 include \$979,240 raised for specific campsite and programmatic improvements through the Strategic Investment Initiative capital campaign and farm expansion project.
