

Camp Twin Lakes 29th Annual Golf Tournament

Monday, May 5, 2025 | East Lake Golf Club

In Memory of Charles R. Yates | Hosted by Sybi and Matt Kuchar

Join Sybi and Matt Kuchar for an unforgettable day in support of Camp Twin Lakes on **Monday, May 5, 2025**, at the prestigious **East Lake Golf Club**. This year, we're introducing an exciting new format—celebrity guests will be stationed throughout the course, giving each team the opportunity to engage with them as they play through. Don't miss this unique chance to support a great cause while enjoying a one-of-a-kind golf experience!

Learn More About

Camp Twin Lakes
Where Challenges Become Triumphs

Your support of **Camp Twin Lakes' Invitational Golf Tournament** profoundly impacts the lives of **children and families** facing **disabilities, serious illnesses, and other life challenges**.

Thanks to generosity of our community, Camp Twin Lakes proudly serves **10,000 children, teens, and family members** annually through our innovative **recreational, therapeutic, and educational** camp programs. We engage campers at **three cutting-edge, fully-accessible campuses** in Rutledge and Winder, Georgia.

Our programs have one purpose: to ensure that **under-served** populations have quality youth development experiences each year with their peers who face similar illnesses, disabilities, or challenges. We provide all our campers with a full range of **traditional camp activities, innovative nature programming, and intentional healthcare engagement opportunities**. More than **80%** of our campers report **growth** in their **wellness, sense of belonging to a community, self-acceptance, and self-efficacy** following their Camp program. The functional, emotional, and life skills these children and teens learn at Camp carry into their everyday lives, keeping them as active, healthy, and independent as possible.

Proceeds from sponsorship, team, and individual participation fees go directly toward our **Camper Scholarship Program**. This program **subsidizes the majority of the cost** for each camper to enjoy an **entire week** of unforgettable Camp experiences. Your support of this year's tournament will help us provide scholarships to more campers as we **grow to serve 13,500 campers** across our three campuses.

Thank you so much for providing a place for us to safely come together, share our feelings, and feel supported in a community. We can't give enough gratitude to people like you, who find it in their hearts to do this for us!

-Julianne, Former camper

Returning to East Lake Golf Club

We are thrilled to announce that this year's tournament will return to the prestigious **East Lake Golf Club**, following its recent renovations. Known as the home of golf's history in Atlanta and the venue for the **TOUR Championship**, East Lake Golf Club provides an unparalleled experience for players and sponsors alike.

The newly renovated course promises enhanced playability while maintaining the rich tradition and character that makes East Lake a world-class destination. With stunning views and impeccable course conditions, this iconic location sets the stage for an unforgettable tournament experience.

We invite you to join us at East Lake Golf Club, where your support not only contributes to a day of exceptional golf but also furthers the impact of Camp Twin Lakes.
