Learn more about Camp Twin Lakes

Where joyful belonging sparks lasting breakthroughs

Your support of the Camp Twin Lakes Invitational Golf Tournament does more than fund camp experiences—it opens up a world of joyful belonging for children and families navigating disabilities, serious illnesses, and life challenges.

For more than 30 years, Camp Twin Lakes has delivered life changing summer camps and year-round weekend retreats that provide extraordinary children a safe, inclusive space to build community, experience breakthroughs, and transform challenges into triumphs.

Proceeds from sponsorship, team, and individual participation fees go directly toward our camper scholarship program. This program subsidizes the majority of the cost for each camper to enjoy an entire week of unforgettable camp experiences. Your support of this year's tournament expands access to even more children as we serve over 10,000 campers annually.

"Thank you so much for providing a place for us to safely come together, share our feelings, and feel supported in a community. We can't give enough gratitude to people like you, who find it in their hearts to do this for us!"

-Julianne, former camper

4,000+ volunteers support campers during 100+ camp sessions each year

Camp Twin Lakes partners with over 70+ mission aligned non profits
