

SPIN FOR KIDS

Camp Twin Lakes Spin For Kids

On October 4, 2026, Camp Twin Lakes will host the 20th annual Spin For Kids at our campus in Rutledge, GA. This event is more than just a 5, 15, 20, 27, 47, 62, or 100-mile journey; it is a powerful gathering of riders of all levels coming together to fuel life-changing experiences for children with serious illnesses, disabilities, and life challenges. After crossing the finish line, riders join family and friends in a celebration of their accomplishments including delicious food from local sponsors, beer, live music, and activities for all ages!
